

JUNE 21-23 2021

VIRTUAL EVENT

# Sustainability & Resilience

From year-round wildfires to freak storms, the effects of climate change are upon us. The impacts are often severe, inequitable and daunting to address. But all is not lost: resilience is part of our collective DNA. We can — and must — summon it in order to imagine and create a better future.

ACTION

2021

Join us June 21-23, 2021, for the second-annual Ideas + Action. Together with international climate experts, elected officials and environmental leaders, we'll discuss the perils and the path forward to create a sustainable future for the Bay Area and beyond.
